**AWARD**

This is a Government reference made by the Government by its order No. 28/19/83-ILD dated July 7, 1983 with an annexure scheduled thereto which reads as follows: as per the Gazette published in Series II No. 53, dated 31st March, 1983. The Government reference makes a reference to the above Gazette because the Workers' Union had raised a charter of demands for and on behalf of the workmen and the following is the schedule published in the Official Gazette dated 7th March 1983.

**SCHEDULE**

I. "Whether the action of the employer, M/s Super Structure Private Limited, Margao, Goa in closing down the establishment w.e.f. 31-12-82 is legal and justified?

If not, to what relief the workmen are entitled to?"

II. "Whether the following demands of the workmen raised with the employer, M/s Super Structure Private Limited, Margao, Goa, contained in the Charter of Demands dated 1-1-1982 by the Goa Trade and Commercial Workers' Union are justified?

**Charter of Demands**

Demand No. 1. Revision of existing pay-scales after the merger of the existing Flexible Dearness Allowance with the existing Basic as drawn on 31st December, 1981.

Demand No. 2 Flat Wage Rise.

Demand No. 3. Fitment Formula.

Demand No. 4. Variable Dearness Allowance (V.D.A.).

Demand No. 5. House Rent Allowance.

Demand No. 6. Conveyance Allowance.

Demand No. 7. Subsidised Canteen.

Demand No. 8. Painter's and Welders' Allowance.

Demand No. 9. Shops' rainware uniforms, lockers and Fans.

Demand No. 10. Bhatas for drivers and those who go out on work of the company.

Demand No. 11. Uniforms to be laundered/washing allowance.

Demand No. 12. Supplementary demands as raised by the workers at the time of discussion in the Industrial Tribunal.

If so, to what relief the workmen are entitled to and from which date?"

The above charter of demands was presented by the Union leader by name Christopher Fonseca and the Government have published the charter of demands in the Gazette as stated above. It appears that besides the above 3 concerns there is one more concern by name M/s Super Structure Pvt. Ltd., and all these 4 Partnership concerns are mainly run by the main Partnership Concern M/s N. D. Naik & Co.,

Margao of which Mr. Damodar Narcinva Naik is the main Partner who is managing the affairs on behalf of the 4 concerns.

While the above Government reference was pending in this Court, and while the parties had filed their pleadings in the case and while the evidence of the Asstt. Liaison Officer of M/s N. D. Naik & Co., by name Mr. Diago Fernandes was recorded the said D. N. Naik, who is the Managing Partner of the 4 concerns filed the supplementary written statement on 13-8-84 informing the court categorically that the dispute referred to this Court did not survive as all the workmen concerned with the reference had arrived at identical settlements and had also signed applications for disposal of the reference in so far as they were concerned. With this assertion it was then submitted by him that in law no industrial dispute did exist in respect of the matters referred to this Tribunal for adjudication. There seems to be substantial force in this categorical statement made by him because he has produced the copies of the settlements arrived at between the employers as well as the workmen, and they are dated 22nd July, 1983. Before that, it appears, the Government have made the reference dated July 7, 1983 and the charter of demands made by the Union was published in Official Gazette which fact is mentioned in the Government reference. Hence since the inception, the question was whether the industrial dispute did really exist and the Liaison Officer Diago Fernandes, whose evidence was recorded on 22-2-85 had stated that the settlement was arrived at on 22nd July, 1983 and the same is produce at Exb. E-1. He has also produced the application signed by the workmen consequent upon the settlement requesting the Tribunal to pass a consent award in terms of the settlement and that application is marked at Exb. B. He has also produced certain letters. Hence, as back as in February, 1985 it was to be decided whether the Union which raised the charter of demands was really in majority and whether there was a rival union which had settled the matters with the management as stated above. Any way the matter was dragged on. After the retirement of my Predecessor, Dr. Noronha, the matter came up before me in January, 1988 and since then the matter is being adjourned from time to time for taking further steps in the matter.

Today, Shri Subhas Naik who appeared on behalf of the Goa Trade & Commercial Workers' Union has informed the Court that the Government made the reference to this tribunal because his union raised the charter of demands. Now, he informed the Tribunal that the employees of Party No. II are no more the members of his union and the workmen had formed their own committee and signed a settlement on charter of demands. In view of this, his union was unable to pursue with the dispute any further and he has requested the tribunal to dispose off the reference. Shri Bandodkar appearing for the Party II, concerns has no objections, if the Government reference is disposed off accordingly. Presumably, the request made by the Managing Partner, D. N. Naik in the supplementary written statement dt. 13th August, 1984 for making an award in terms of the settlement is not pressed. Similarly the workmen who were interested in the settlement have not come forward to give their say in the matter. Consequently, the Government reference will have to be disposed off as not pressed. In the result, I pass the following orders:

**ORDER**

The Goa Trade & Commercial Workers' Union which has raised the industrial dispute for and on behalf of the workmen of Party II by raising a charter of demands does not press the same. Hence, the Government reference is disposed off without going into the merits of the charter of demands.

Inform the Government about the order passed about the reference made to this tribunal. There shall be no order as to costs.
